# RWPC's Lent Appeal 2017

In support of WaterAid

ATERAID has been our Lent Appeal for many years. It came out of a leadership discussion that we do something with the money saved from giving up something during Lent and the recognition that whatever we give up is very minimal and much less than those who don't always have the very basics of life, even down to basic clean water and toilets.

Right now, over 663 million people live without safe water to drink, 2.4 billion (1 in 3) people don't have access to adequate sanitation, and around 315,000 children die every year from diseases caused by poor hygiene and dirty water.

WaterAid is an international nonprofit organisation working across 38 countries, whose vision is of a world where everyone has access to safe water, sanitation and hygiene by 2030.

### Ram Rati's Story

Mahoba, Northern India, is an area where girls rarely go to school and women don't often speak in public. Ram Rati, barely five feet tall, shocks most people simply by gallantly riding her bike into villages. And then she opens her toolbox and fixes their well. Many wells fail because there aren't enough people trained to maintain them. However, Ram Rati is one of six local women in a team that has fixed over 300 wells so far. Ram Rati's services, including repairs to handpumps and submersible pumps, are in great demand across the Mahoba district. She has even used her own knowledge to train other women mechanics from nearby villages. There has been a positive change in Ram Rati's life since she received training from WaterAid and its local partners, funded by The Adventure Project. Previously, she was confined to the four walls of her house. Now she goes out to work, and people recognise her in neighbouring villages and ask for her help. Her work as a mechanic has also helped to improve the standing of women in the region. "At first I thought, how can she do it?" said one of the men in the community, "But even a man can't do the job as well as she does."

# Lent Frugal Lunches

Lent. If you can facilitate any lunches either in your home or at church, please check with the office that the date is free and then ask for it to be advertised. If you have any other ideas to increase funds for WaterAid that's appropriate during Lent, please see Henry or Sheryl. Last year we raised a magnificent £948, so let's see if we can go beyond this for 2017!

### Store Cupboard Challenge

This YEAR'S LENT APPEAL is the Store Cupboard Challenge. The challenge is to live off what's in your store cupboard during any given week in Lent. You can buy fresh produce, but the concept is to "make do" as much as possible. The money you would have normally spent on your food shop goes into the Lent Appeal, which this year is again WaterAid. Other ideas are to put some money into a jar during Lent every time you use clean water, or give up chocolate, or going out for coffee, or any other option you want to choose. All Water Aid offerings will be taken on Easter Day.

# Join the global wave of prayer 25th May - 4th June

HY KINGDOM COME, from Ascension to Pentecost. This is a call to pray joining in with the family of God (it's interdenominational, national and international), "Come, Holy Spirit, that we may be effective witnesses to Jesus Christ". Last year more than 100,000 people were involved with over 3000 events and services. This event is commended by both our Bishops; Peter, Bishop of Barking and Stephen, Bishop of Chelmsford, and also Justin Welby, Archbishop of Canterbury. Bishop Justine recently said,

"It's anticipated that 100 million people will be involved this year". Bishop Stephen said, "At the heart of 'Thy Kingdom Come' is a commitment to corporate and individual prayer; in local churches, in missional communities and in our schools".

At RWPC, we will be participating. We have lots of resources; if you are interested in being part of this, either praying or leading, have a word with Henry or Sheryl. This is also an opportunity to reach out into the community. More details to follow.

# **New Prayer Initiatives**

their commitment to praying. If you would like to be involved in a Prayer Triplet, or have already formed one, please see Pat Smith, who is co-ordinating this initiative. If you would like to be involved in Telephone Prayer Conferencing, this has been set up by Val Clapham and happens every Thursday night from 7:30pm for half an hour. It is a freephone number and you will be asked to enter a PIN

number—Please speak to Val to receive these numbers. The prayer conferences will be praying into epray emails received that week, and other email updates for ongoing prayer. The conferences will start with thanksgiving for all that God is doing, so don't worry if you're a bit late phoning in—just join in with the praise! There will also be a time for personal prayer requests, too.

# **Historical Items**

URING APRIL, YOU WIll see some items appear in church at RPC. These will form part of our new historical items section and are for resale. This is only the start of this new venture and in time we hope to add to the items available. This idea has been born out of getting more visitors now that Rainham Hall is open. These visitors are obviously interested in the very historical church that we worship in, and we want to give them the opportunity to take a memento away with them. Any profits will go

into the church tower funds. We also realise some church family members may want to purchase items, but although we would want to facilitate this, we need to stress that it is NOT appropriate to do so at Sunday worship (keeping the Sabbath holy). Please bear with us while we work out how to facilitate this. The May Fayre Day is an ideal opportunity to make your purchases. Please see Gerald Setter, Sheryl Pradella or Valerie Hernes for more information.

# Help for the Maundy Meal & May Fayre

HE USUAL HELP is required all round. If you can help out with our Maundy Thursday meal; setting up, packing down or serving, please see Kingsley as soon as possible.

The Rainham Village May Fayre is on Monday 1st May this year, please see Rainham's Churchwardens if you can help in church, see Shirley at The Ship Centre and see Gerald/Sheryl on the stalls. We also need a team dedicated to supporting any historical sale items in church.

# APCMs and Report Booklets

BOTH RAINHAM AND Wennington will be having their Annual Parochial Church Meetings (APCMs) on Sunday 30<sup>th</sup> April this year within the context of an act of worship. Rainham's meeting will take place from 10:30am at RPC, and Wennington's will be from 3pm at WPC.

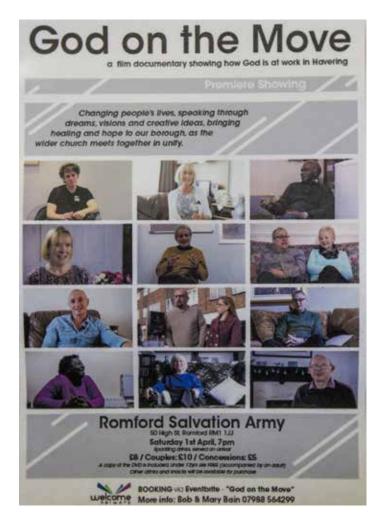

If you have been asked to produce a report on your area of ministry, please ensure it is with Alan before Easter, otherwise there will not be enough time for inclusion in the report booklets.

### Walking with God: Joseph

E CONTINUE THIS month exploring the story of Joseph. As we have already begun to discover, it is rich with a backdrop that points to Jesus and is full of allegorical comparisons that mirror in many ways Jesus' own mission of salvation.

This month we move into the area of fulfilment, where God's purposes for Joseph become realised and his rise to a place of influence and authority unfolds the story of salvation and rescue.

It is also a story of forgiveness and reconciliation that brings with it healing and God's further direction for His chosen people and their future destiny.

Do follow this study in our Lent booklet, which you can obtain through the Parish Office. May I encourage you to join a Small Group during Lent, where you can join with others to learn more together. Alternatively, gather one or two others and meet to explore with them the riches this story will unfold.
